Latin VMA, EMA Voting Reminder

We have TWO final days to get our votes in for the Latin VMAs. The awards are this Thursday in Mexico City, and these last votes from the Echelon will be essential. Time to kick the voting into high gear and get your vote in for BEST INTERNATIONAL ROCK ARTIST while there's still time, and let the Echelon be heard. Visit <http://www.mtvla.com>

There's also still time to vote for 30 Seconds To Mars in the European Music Awards under two categories: ROCK OUT and INTER ACT. Let's win them both! Visit <http://ema.mtv.co.uk/voteNow>
